Dear Mr. Brand:

I have been asked to send you our setting-copy requirements for The Whole Earth Epilog. Since I really am not at all sure what your final format will be, I have based the following on the assumption that the format will be similar to The Last Whole Earth Catalog. I also understand that the hard-cover edition will not have a jacket, so the instructions for the hard-cover are based on that premise.

*On the spine of the paperback and the binding spine of the hard-cover:
[your name, followed by a diagonal slash, followed by]
Penguin Books [along with the Penguin logo]
(a Penguin logo is enclosed for your use)

*On the back cover of the paperback edition only:
ISBN: 0-14-003950-3

*On the copyright page of the paperback edition (if the same format as The Last Whole Earth Catalog, this would be the inside front cover):
[your copyright line, followed by]
Distributed by Penguin Books Inc, 7110 Ambassador Road, Baltimore, Maryland 21207, and in Canada by Penguin Books Canada Limited, 41 Steelcase Road West, Markham, Ontario
Library of Congress Catalog Card Number: 74-81800
ISBN: 0-14-003950-3
(Note that we do not use a period with the "Inc" and that the "Limited" should be spelled out in full.)

*On the copyright page of the hard-cover edition:
exactly the same as the copyright page of the paperback edition, except that a different ISBN must be used
ISBN: 0-14-061615-2

If I can be of any assistance in checking this, or if you have any questions or problems, please feel free to contact me.

Sincerely,

Edward Iwanicki
